December has arrived so quickly! We have all been busy practicing for our Christmas concert. We wish you all a very merry Christmas. Have a special time with your families and remember that Jesus is the reason for the season.

Reminders:

Please send warmer outside clothes as the weather gets colder:

Your child needs at least 2-3 snacks for the morning, a big healthy lunch and 2-3 snacks for the afternoon. Please send more food and we will send home what they do not eat. Many children keep asking for more food!
